

Table with columns for Year, Reading, Vocabulary, Language, Language Mechanics, Spelling, Word Analysis, Mathematics, Main Computation, Science, Social Studies, and Logical Skills. Each column contains a list of scores for various students and groups.

Notes:
1. If blank, not tested for that grade level
Local GPA is an average for CCS
National GPA is the national average.
Master's Mastery Range means the group is progressing but is not yet proficient. Depending on placement within range (outside) curriculum is instructional changes.
CS is mastery at or level with a score of 100.
