Athletic Code of Conduct

As a student of Calhoun Christian School who has been given the privilege of participating in extracurricular athletics, I understand that with this privilege come the following responsibilities. I will do my best to fulfill these responsibilities and to accept the consequences if I do not.

1. As an athlete, I am a leader. I will use this leadership role to honor God and to represent my school in an exemplary manner.
2. I will follow the athletic dress code on game days as outlined above and as prescribed by my coach.
3. In all aspects of athletics I will seek to put others first.
4. I will use the gifts that God has given me to the fullest, whether I am in practice or in a game.
5. In my actions, speech, and dress, I will seek to build up those on my team and those against whom I compete.
6. I will show respect to all players, coaches, referees, and fans with whom I come in contact. This includes any communication, both written and spoken, in person or typed on any website or device.
7. I will do my best to attend every practice as well as every game and will inform the coach ahead of time if something arises that makes this not possible.
8. I realize that my curricular efforts come before those that are extracurricular and accept the academic policy as outlined in the CCS Student Handbook.

Parent/Coach Conflict Resolution

In order to ensure that a Christian attitude is maintained during conflict resolution, and that sporting concerns are addressed in a timely manner, all parents/guardians of students playing sports with CCS must agree to the following:

1. All conversations will be handled in a manner that glorifies Christ and with a Christian attitude.
2. The CCS Student Policy Handbook applies first and foremost.
3. Athletic Code of Conduct guidelines will be maintained at all times. No discussions will take place regarding the Athletic Code of Conduct contract signed by student and parent.
4. Any issues or concerns about CCS team sports or players will be addressed with the head coach first.
5. No issues or concerns will be brought to the coach immediately prior to or following a sporting event unless it is medically necessary.
6. Within 5 business days of the request to meet, a meeting date between parent/guardian and coach will be agreed upon.
7. The head coach, along with one assistant coach if warranted, will attend the meeting. If necessary, a third party may be invited as a facilitator.
8. If concern is not resolved upon meeting with the head coach, parent/guardian will meet with the Athletic Director. That meeting date shall be agreed upon within 5 business days of request to meet. The Athletic Director will not discuss concern until it has been verified that the parent/guardian met with the head coach first.

Athletic Commitment

As a participant, or a parent of a participant, in the CCS Athletic Program, I have read all the information found in the Student Athletic Handbook. I understand the information and commit myself to abiding by the guidelines set forth. I also commit myself to accepting the consequences in the unfortunate situation that I, or my child, is found in violation of the Athletic Code of Conduct.
