Pass-A-Note

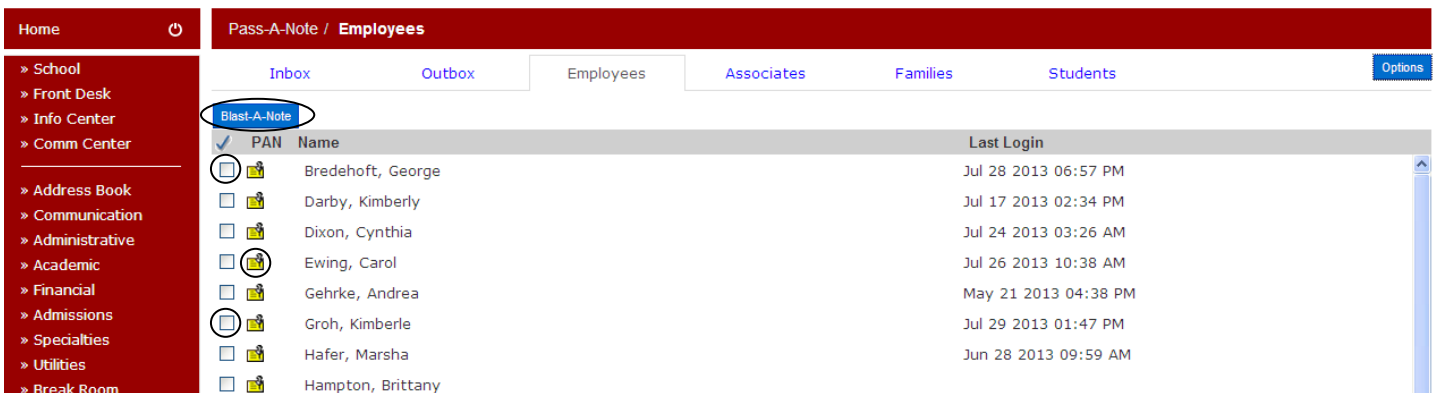

The Sycamore Pass-A-Note feature allows parents a quick way to communicate with a teacher or other CCS staff member. Teachers open Sycamore every morning before school starts, so this feature is best used before the school day. A note passed to a teacher after the school day starts may not be seen by the teacher until the next morning. One example might be if your child is running a fever in the evening, you can pass a note to your child's teacher that he or she will not be in school the next day.

To Pass A Note to a teacher or administrative personnel, click on "Pass-A-Note" on the left-hand side of the screen.

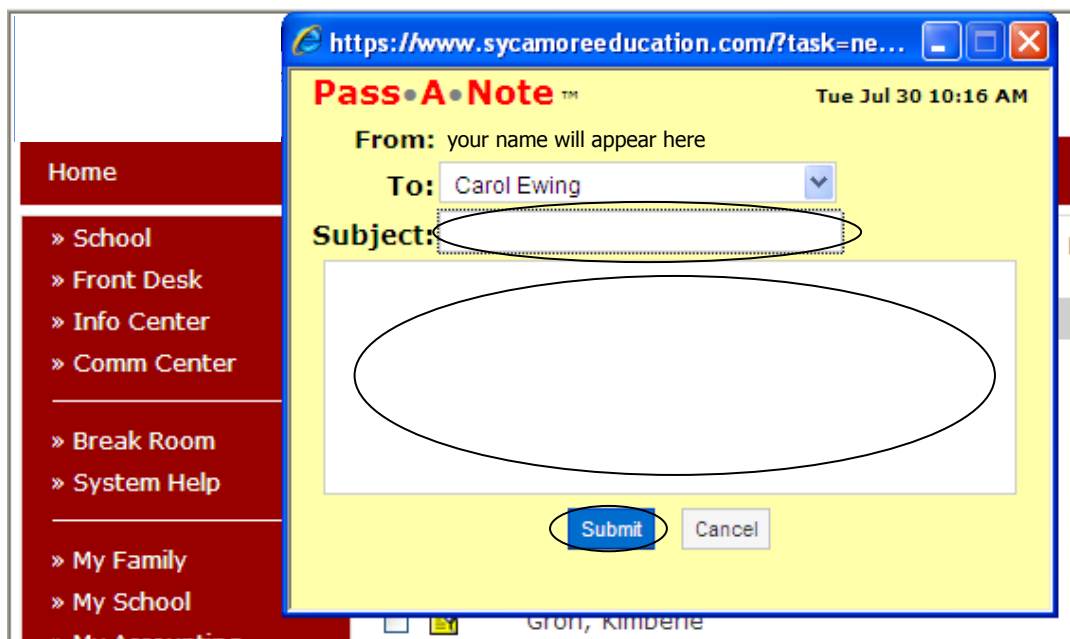

When the Pass-A-Note menu opens, click on the "Employees" option.

This will open a list of faculty and staff members to whom you can Pass A Note. Click on the yellow note to open the Pass-A-Note pop-up window.

CONTINUED ON NEXT PAGE

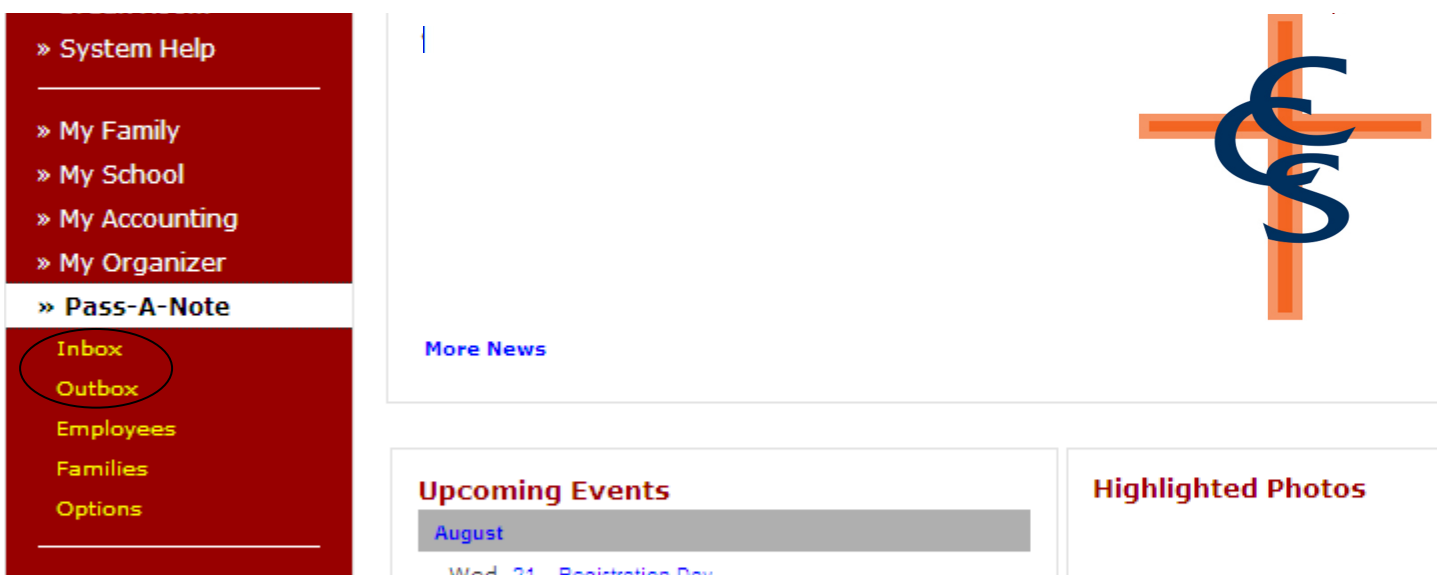

Pass-A-Note (continued)

Type in the Subject and message you want to send. Click the "Submit" button to send your note. (If the "Submit" button is not visible, add www.sycamoreeducation.com/index.php?schoolid=1621 to your list of trusted sites on your Internet browser.)

If the person to whom you are sending the note is logged in to Sycamore, a pop-up window with the note will appear on his/her screen. If he/she is not logged in, it will appear the next time he/she logs in.

You can also send Pass-A-Notes to families by clicking on the "Families" option under the "Pass-A-Note" menu. Remember that the family will only receive your note when they log in to Sycamore.

All of the notes you receive will appear in your inbox, while your sent notes will appear in your outbox. These can be accessed by clicking on "InBox" or "OutBox" under the Pass-A-Note menu. Once you are in your Inbox or Outbox, you can read and delete your notes.

Assignments and Grades for 3rd-12th Grade

Teachers input assignments and grades into Sycamore. These are available for parents' viewing. Teachers post their grades to Sycamore at different times, so check often to see your child's most up-to-date grades. Also remember that every teacher does their assignments and grades differently. Please contact your student's teacher for more details on specific questions regarding grades and assignments.
