Please consider sharing your child with us for the summer of 2023! We welcome students entering TK or Kindergarten (in Fall 2023) up to 12 yrs. 11 mos. of age.

- This summer we will open right after school ends for the year, which will be 6/5/2023.
- The cost per week for full time (5 days/week) will be $175 per student (1st child), and $160 per student (2nd & 3rd child).
- Based on the level of interest, we are hoping to offer part time spots, so please indicate below if you prefer full time or part time. The part time rate is $40/day.

Your children will be engaged academically, socially, and spiritually, be active on a daily basis, all while having a TON of FUN!!! We are also planning to include regular field trips and will share more specific details as the summer approaches.

If you are interested in our program and would like to receive more information along with a registration packet, please complete this form and return it to the school office.
