Jeralyn Belote, Administrator
20 S Woodrow Ave
Battle Creek, MI 49015

ACSI MEMBER ID# 153313 INITIAL ACCREDITATION: 12/11/2015 CURRENT TERM EXPIRES: 12/31/2026
GRADES ACCREDITED: K-12 TYPE OF VISIT: REACH/Cognia

Dear Ms. Belote,

I want to congratulate you and Calhoun Christian School for successfully meeting the standards for ACSI Accreditation. The East Accreditation Commission for the Central Division voted to approve a full, five-year term. **Your new term of accreditation will begin immediately and go through December 31, 2026.**

Your accomplishment is being communicated to ACSI Academic Services and they will be sending a certificate directly to your school. Display this certificate with honor! Please pass on our congratulations to the leadership team, school board, staff, parents, and students. Each group contributed to the success of this process. Share the major commendations identified by the visiting team as these are demonstrated strengths of the school. Also, the highest priority is to take the necessary steps to include the major recommendations in your continuous school improvement plan.

As an ACSI accredited school, you will be required to complete an annual report each fall in which you will address your progress on the major recommendations, faculty certification, finances, and other pertinent areas of the school program.

The same recommendation for your term of accreditation and status was passed on to Cognia for their approval at their board meeting. This is a formality. Cognia will notify you via email once the board has made a decision regarding your dual accreditation with them.

Sincerely in Christ,

Carrie Beth Tigges
East Accreditation Commission Chairperson, ACSI Central Division
