October 2026

Dear CCS Friends,

We have a life-changing opportunity to travel on a mission trip to the Dominican Republic as seniors at CCS. In May, our team will spend a week serving people in impoverished areas in the D.R., bringing free medical clinics and medicine, delivering food door-to-door in the villages, sharing lots of fun & love with the children, and giving hands-on help wherever needed. In the past 2 years, our team has built a sturdy structure for young children to have a safe place to sleep and play with protection from the elements in their rooftop room at Anna's House. This year's team is excited to again partner with local pastors, community leaders, and doctors to bring free medical care & medicine, practical help, & God's love to this developing Caribbean island.

If you would like to partner with us, we have 2 ways that will help our team:

1) PRAYER! We believe in the power of prayer and invite you to support us by praying for our team, the people we will be serving, and the entire trip.
2) FINANCIAL GIFT! You can partner with our team through a tax-deductible gift that you can either send through the mail or give online. Following are a few giving details:

BY MAIL:

Calhoun Christian School
Attn: Colleen Marino
20 S. Woodrow Ave.
Battle Creek, MI 49015
Please return the marked portion below with your tax-deductible gift. Make checks out to CCS.

ONLINE GIVING (security metrix PCI certified):

1. Use the provided QR code or follow this link to our online giving platform: VANCO: https://secure.myvanco.com/L-ZJP9
2. Giving should be designated as MISSION FUND.
3. Note the name of the student in the MEMO.
4. Provide any needed personal & financial information.

We're excited about this trip! We'll be able to use the Spanish we've learned, bring gifts of food door-to-door in the villages, discover a culture very different from ours, and provide free medical care and resources. There is so much we look forward to learning as we humbly serve people beyond our borders.

Cut along line & return bottom portion with check or M.O.

CCS Class of 2027
