

Family Service Agreement

The Family Service Agreement provides the school with a source of steady volunteer hours and /or additional income to reduce costs. CCS parent/guardians are required to:

- Donate 20 service hours or
- Pay a \$250 family service fee or
- A combination of both

Family Service Hours (volunteer service) are vital to Calhoun Christian School. Service Hours help to develop camaraderie between parents and school staff and help to reduce costs and enhance programs.

Fulfilling Program Requirements

- The Family Service Agreement calendar year runs from the first day of summer break through the last day of school.
- It is recommended that you endeavor to serve throughout the year; summer projects are available. There will be no carryover.
- For the purposes of this program, the school places a value of \$12.50 per hour served on time that is donated. Parents may choose the best option, according to their circumstances, when fulfilling the Family Service Agreement. You may choose to pay a Family Service Fee of \$12.50 per un-served hour. Each hour not served will be billed in June each year at the rate of \$12.50 per hour, with a payment due date of June 30.
- Family Service Hours may be completed by adult family members, grandparents, or students on behalf of the family. Hours must be logged in the FACTS Family Portal so that credit can be given to the family.
- For families with part-time preschoolers (no older siblings enrolled), service hours will be adjusted accordingly.
- For families that enroll midway through the school year, service hours will be adjusted to 5 hours per quarter enrolled.
- Please do not wait until the last minute to complete your hours.
- Parents are responsible to log served hours in FACTS by the last day of school.

Family Service Hours Opportunities

- It is the parent's responsibility to take the initiative to seek opportunities to fulfill their Service Hours.
- The school will endeavor to provide regular communication about service opportunities.

I/We understand the Family Service Agreement as described above and agree to fulfill this commitment by donating our time or paying the Family Service Fee when invoiced. I/We understand that we are responsible for properly logging Service Hours in FACTS so that they can be tracked.
